

THE COMPANY

Greif is a world leader in industrial packaging products and services. We produce steel, plastic, fibre, flexible and corrugated containers, packaging accessories and containerboard, and provide blending, filling and packaging services for a wide range of industries.

THE BUSINESS SERVICE CENTER

The Greif European Business Service Center was set up to standardize and harmonize the administrative efforts in the areas of Finance, Master Data, IT, Sales Order Processing and Internal Audit Services. By a phased approach growth the BSC is constantly increasing the number of processes and countries served.

Join us as a **General Ledger Specialist!**

THE ROLE

Main responsibilities:

- Validate and book general ledger journal entries;
- Prepare balance sheet account reconciliations;
- Execute monthly accounting close processes per defined operating procedures;
